Maintenance Programs & Inspections Status

- Operated per FAR §91
- Date of Manufacture: 2024
- Certification Date: June 26, 2024
- Maintenance tracked by CAMP
- Aircraft Enrolled on ProParts
- Engines Enrolled on PowerAdvantage
- APU Enrolled on AuxAdvantage

2024 Cessna Citation XLS Gen2 S/N 560-6360 - N327JA

Interior

The 9-passenger executive interior is configured as follows:

- Forward Vestibule: Forward dual-side facing couch immediately opposite the main entry door. A left-hand refreshment center with a hot tank, ice chest, numerous flexible storage areas, trash container, and provisions to store catering. An entry curtain which stows against a divider, located aft of the cabin entry door, and deploys across the cabin entry door. A right-hand closet, forward of the cabin entry door, provides storage for the navigation charts, flight manual, coat rod for hanging storage, and general storage on adjustable shelves.
- Cabin: Six pedestal-mounted passenger seats with adjustable headrests. Seats #5 and #6 have floor tracking. Four fold out tables with self-opening lids and ample work area are included. Side ledges have multipurpose areas for each pedestal seat location including dual lighted cup holders, a single USB A charging port, and a wireless cellphone charging tray.
- Aft Lavatory: Lavatory with flushing toilet, sliding privacy doors, and a belted passenger seat on the left-hand side. It also includes a storage closet that can accommodate hanging clothes, coats, and other passenger amenities.

Exterior

- Overall Snow White with Titanium Metallic, Smoke Metallic and Columbia Blue Pearl
